

Eugene Field's

Views on Ambition and Dye-peeps.

"Gymnasts," wrote Eugene Field, "often keep alive a man for embossing and sometimes extinguishing the fire of ambition." Though great despite his accomplish'd Field suffered from indecision all his life. He was dim-witted and never could get a good job. It would not do. You can only rest it by the use of a suggestion like Kodak, which weaves a web for you by digesting your food. Rest soon restores it to its normal tone. Strengthening, Self-taught, Envirorating.
